Welcome to a new POLONEZ year, and it's going to be a very exciting one, with the Debutante ball, two concerts to celebrate the 100th anniversary of the regaining of independence of Poland in 1918, and to cap it off, PolArt in Brisbane at the end of the year.

As you can see, we have already had a busy and early start to our year, and it's not going to stop. We hope that you can come on some of this journey with us, we appreciate both your support and encouragement very much indeed. We certainly look forward to seeing our Alumni and Friends during the year at these events.

This 44th Ball enables Polish youth, and youth of Polish descent to get together in a safe environment, have fun, make new friends culminating in the night of their dreams. Please help spread the word, within your family, and to friends and acquaintances.

*The Ball itself is on May 26th at the Malvern Town Hall,

You will see this logo a lot more over the coming months, as it is the logo organised by the Polish Council of Australia to mark events held to commemorate the 100th anniversary, since Poland regained its independence in 1918, after a period of 123 years, when it was completely annihilated from the map of Europe by Germany, Austria and Russia.

There will be many events held in Australian cities, including Melbourne, and a Calendar of Events will shortly be available.

Two identical special concerts are planned on August 18th, at the Clocktower Centre, Moonee Ponds, and on August 19th at the Drum Theatre, Dandenong, which will incorporate the best of Polish music, song and dance.

Stay tuned. .

Let's finish on a humorous note, which should strike a chord!
